

Lion Ron Black
Cabinet Treasurer
2010-2011

Lion Ron is serving his 3rd consecutive term as Cabinet Treasurer for Multi District 21C. He is a 33 year Lion beginning as a Charter Member of the Chandler Ojo Rojo Club and transferring to the Cottonwood Lions in the Spring of 2006.

He has held all local offices but this is the only Cabinet Position he has held. He has been Lion of the Year and also cherishes his Melvin Jones, the second one awarded by the Ojo Rojo Club. His favorite part of Lionism besides serving his community is organizing club projects and getting as many club members productively involved as possible.

Professionally before retirement he was a lifetime educator who loved and still does love working with young people. He spends the majority of his professional career in the Chandler Public Schools.

He is proud to proclaim that he was in the first Northern Arizona University graduating class of 1966. He has been a life long “*Lumberjack.*”

He and his wife Diane of 45 years have three children and five grand girls. What a Proud Grandpa he is.
