

21- C Forming New Club

Meets 4 times a year.

Are you a spouse or a friend of a Lion that would like to be a Lion, but don't want to go to weekly or monthly meetings.

Well now you have an opportunity to do that.

This new club would only meet during the Mid-Year Convention, the MD Convention and two Cabinet meetings.

We are just getting this club off the ground, but would love to have enough members to Charter the club before the end of this Lion year.

We have one Member already.

We need 20-24 more to get a full club going.

Please contact Lion Sandy Phillips if interested or know of someone that might be.

You may reach her at sandy2quilt@gmail.com or 928-951-0180.

Yours in Lions Service, Sandy Phillips
